**INFORMATION DISCLOSURE STATEMENT**

**GROUP 3600**

Dear Sir:

Pursuant to the duty of disclosure provided by 35 C.F.R. § 1.56 and §§ 1.97-98, the Applicants wish to make the following references of record in the above-identified application. Copies of the references are enclosed. Copies of the references are also listed in the PTO-1449 form enclosed herewith. It is requested that the documents be given careful consideration and that they be cited of record in the prosecution history of the present application so that they will appear on the face of the patent issuing from the present application.

Portions of the references may be material to the examination of the pending claims, however no such admission is intended. 37 C.F.R. 1.97 (h). The references have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the references. This Statement is not a representation that the cited references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. sections 102 or 103, nor is this

**CONCISE EXPLANATION OF THE RELEVANCE OF DE 297 19 865**

DE 297 19 865 was cited in the International Search Report for a counterpart PCT application. A copy of the International Search Report, which is in English, is submitted along with this non-English language reference. The International Search Report designates DE 297 19 865 as an "X" reference, and it further describes which portions of DE 297 19 865 the International Searching Authority believes to be particularly relevant.

Respectfully submitted,
